## **60Z SIRLOIN STEAK & CHIPS £10**

The Sirloin is a prime cut of beef and very popular. This cut is very tender, well-marbled and cut from the upper middle part of the cow. Our Sirloin is hand-cut and supplied by Ruby & White Butchers in Bristol. Our steaks weigh approximately 6oz, are served with homemade chips and cooked to your preference.

## **60Z BAVETTE STEAK & CHIPS £10**

This cut of steak is from the shoulder of the animal and you might know it as “top blade”. We suggest that our Bavette steaks are cooked no more than Medium rare as it is a working cut and this keeps them nice and tender. Our bavette is hand-cut and supplied by Ruby & White Butchers in Bristol. Our steaks weigh approximately 6oz, are served with homemade chips.
